February 9, 2012
Thursday

Idaho Fish & Game Building
324 S 417 E, Ste 1
Jerome, Idaho 83328
324-4359

2012 Installer Continuing Education Class

The State of Idaho requires licensed installers to attend at least one continuing education class every three years. If you are unable to attend and it has been three or more years since your last continuing education class, you will need to re-take and pass the installer examination.

Course Content:

- TGM Changes
- Legal Aspects
- Application form changes
- Tips to successfully install a septic system from application to inspection, including:
 - Standard systems
 - Capping fill
 - Graveless
 - Intermittent Sand Filters
 - Recirculating Gravel Filters

If there are other topics you would like to cover, please contact Craig Paul at 737-5918 or cpaul@phd5.idaho.gov.

There is no charge for this training, but space is limited. Register soon!

Please bring your copy of Idaho's Technical Guidance Manual (TGM).

If you don't have a copy of the TGM, contact us for information on obtaining one.

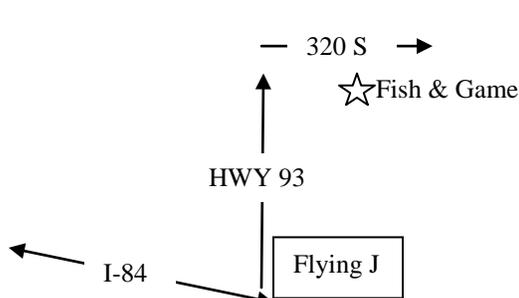

If you have access to the internet, you may download a copy of the TGM at

http://www.deq.idaho.gov/water/assist_business/septic/tgm_entire.pdf

For registration information, contact EJ at 208-737-5916.
