How will an influenza, or communicable disease outbreak affect my business, or organization?

What steps should I take to protect my business, organization, and loved ones?

How can healthy eating, and active living keep me, my employees, and the community healthy?

When should I stay home from work, or keep my children home from school or daycare?

What are the current vaccination options, and statistics for Idaho?

What parts of the region are seeing outbreaks? What are the benefits of getting the flu shot?

Please join us, as we have a multi community discussion, and presentation led by Tami Pearson, Planner Sr. /Program Manager, South Central Public Health District.

*Mini-Cassia LEPC* meets monthly to plan for events, or situations that may affect the Mini-Cassia communities. Our group consists of schools, hospitals, medical providers, state agencies, EMS, fire departments, law enforcement, city/county government, service groups, and multiple businesses, and industry from Minidoka, and Cassia Counties. We meet on the 4th Tuesday of each month. Meeting locations alternate between Rupert Fire and Rescue, and Burley Fire and Rescue. Meetings begin at 1:00 p.m. JOIN US, AS WE PREPARE FOR TOMMOROW, TODAY!
