South Central Public Health District Helps With Your Health Idaho Sign-Up Success

TWIN FALLS –The Your Health Idaho Health Insurance Marketplace open enrollment ended on March 31, South Central Public Health District (SCPHD) In Person Assisters (IPAs) successfully helped enroll 120 qualifying Magic Valley residents, and combined the seven Idaho Public Health Districts helped enroll 1,537 people through the open enrollment period (October through March).

“South Central Public Health District was pleased to partner with Your Health Idaho to assure that qualifying citizens were able to make informed decisions about what health insurance plans worked best for them,” says Rene LeBlanc, SCPHD Health Director. “Public Health has always been community focused, and I am proud that our agency had an active role in helping 1,537 people statewide navigate the Your Health Idaho system.”

For more information on the Your Health Idaho Health Insurance Marketplace please visit www.yourhealthidaho.org.
