**SCPHD To Host Several Back-To-School Vaccine Clinics
Throughout Southern Idaho In August**

SOUTH CENTRAL IDAHO – As another exciting school year approaches, South Central Public Health District (SCPHD) wants to ensure your child's health and safety with our comprehensive back-to-school vaccination clinics. Our nurses and customer service representatives will be available to look up your child's vaccine records and provide any vaccines that they might need for the new school year. SCPHD can bill to private insurance or Medicaid. For those who are uninsured, we will work with you on low cost options in order to provide vaccines for your children.

“Vaccines are essential to protecting against preventable diseases, keeping classrooms healthy and learning uninterrupted,” said Melinda Bauman, SCPHD Immunization Coordinator and Registered Nurse. “Our vaccines are administered by qualified healthcare professionals, and we will be available at multiple schools during their registration days. Just show up, there's no need to make an appointment.”
